### 75 words

*The Rape of Europa* is a feature documentary film that tells the story of the systematic theft, deliberate destruction, and miraculous survival of Europe's art treasures in the Third Reich and Second World War. Today, more than sixty years later, the legacy of this tragic history continues to play out as families of looted collectors recover major works of art, conservators repair battle damage, and nations fight over the fate of ill-gotten spoils of war.

### 106 words

*The Rape of Europa* is a feature documentary film that takes the audience on an epic journey through seven countries and into a violent whirlwind of fanaticism, greed, and warfare that threatened to wipe out the artistic heritage of Europe. For twelve long years, the Nazis looted and destroyed art on a scale unprecedented in history. But heroic young art historians and curators from America and across Europe fought back, mounting a miraculous campaign that would rescue and return the millions of art works displaced by the war. Joan Allen narrates this breathtaking chronicle about the battle over the very survival of centuries of western culture.
